***About Marion's Camp***

Marion's Camp is a 25.48 acre town-owned property located off Tuttle Road in historical Sutton, Massachusetts. Before the Town of Sutton purchased the land in 1989, it was owned by the Central Massachusetts Camp Fire Council which obtained the land by a donation from the Goddard Family. The Goddard Family originally used the property as a camp for the Worcester Camp Fire Girls. The property was named Marion's Camp after the Goddard's daughter and it is the name still used for the property. The Town's goal is to preserve the property as a natural resource and enjoy its recreational opportunities along the lake frontage.

If you would like information regarding the Marion's Camp project, visit [www.sutton.ma.org](http://www.sutton.ma.org)

The Sutton Town Beach at Marion's Camp will open for the season on Saturday, June 18. Public beach hours are daily 12-6 p.m. Sutton resident passes are \$25.00 per household, Millbury resident passes are \$50.00 per household and non-resident passes are \$75.00 per household. Passes may be purchased at the Town Hall beginning June 1.
