

Town of Sutton Sewer Commission Meeting

3/13/24

**Members Present: Jack Sheehan
Dan Lessard
Carl Licopoli
Don Obuchowski**

Jack opened the meeting opened at 2:00p.m. All were in attendance.

The Pledge of Allegiance.

Jack motioned to accept the minutes from the 2/14/24. Carl approved.

No Public Forum.

James Dymont and Adam Weiss from BETA provided update regarding the PLC replacement. The PLC is the brain components of the controller. The current PLC is the original from early 2000's and will not be supported much longer. There have been issues which were repaired and need to be replaced. The DEP would like this completed by 2027.

Don would like to have BETA stay on in an advisory capacity. BETA will identify any engineering needs.

Blackstone Street is on track. The tank is in and lines are out to the road. The pump station status at Catelli Bros., in regards to ownership, will be determined by Town Council.

Articles Proposed: 1) PLC Upgrade
2) Paying Millbury Sewer Break Bill

Funding will come out of the Enterprise Acct.
