

Code RED Call 3/13/2020

Good afternoon. This is James Smith, your Town Manager. The Town of Sutton is working diligently to mitigate the risks associated with the coronavirus outbreak. In conjunction with the Public Health Nurse and others, decisions have been made to close the Sutton Public School District, the Senior Center and the Public Library immediately and tentatively re-open Monday, March 30th pending assessment of the situation and any new developments.

Sutton Town Hall will remain open for business at this time. Residents are encouraged to conduct business online or by phone if possible.

We apologize for any inconvenience. This is an opportunity for each of us to do our part in stopping the spread of the Coronavirus.

You can help by:

- Washing hands frequently
- Not touching eyes, nose and mouth
- Limiting social interactions
- Staying home if you are sick and
- Checking in with at risk neighbors that may need help

As the situation changes with respect to Coronavirus, we will be prepared to respond appropriately and consistently with updates from the Department of Public Health and Center for Disease Control.
