Call to Order: William Fredericks opened the meeting of the Board of Health at 6:03 PM.

Meet Margaret Bacon: Bill stated for the record that the Board was not familiar with the process of hiring an engineer as we have not had to hire anyone since Jim Malley whom had been there longer than them. He also stated that they had some time constraints and hoped to do a better job in the future with the process. The Board was introduced to Margaret Bacon. Margaret stated that she spoke to the ethics department and would be finishing up some of her current business and the town would be looking into her request to be a special municipal employee. She will be ready to start in 2 weeks. The Board welcomed Margaret and were impressed with her credentials.

MOTION: Ken Malo made a motion to recommend hiring Margaret Bacon as the Title 5 Engineer for the Town of Sutton, Board of Health. 2nd by Diane Miller. All in Favour. Unanimous.
