

# VILLAGE MEETING

## Manchaug Water Study Project – Meeting #2

**Thursday, March 16th at 6 PM**  
Manchaug Mills, Blaxton Hall

The Town of Sutton received a \$75,000 Municipal Vulnerability Preparedness (MVP) Grant from the Executive Office of Energy and Environmental Affairs (EOEEA) ([www.resilientma.org/MVP](http://www.resilientma.org/MVP)) to assess and mitigate issues with the natural and manmade water flow systems in and around the Village. At Meeting #1 we discussed the overall project and received the knowledge and input of residents and stakeholders about these systems. We've used this input and completed the assessment of the water flow systems in the Village.

### **Meeting #2 – Learn what we found and provide your feedback!**

#### **UP NEXT:**

- Meeting #3 – April 27, 2023 – Share and discuss possible strategies and solutions.
- June 2023 - Final report presented to the Select Board.

If you have questions, want to be added to the stakeholder list, or need more information, please reach out to Jen Hager at [j.hager@town.sutton.ma.us](mailto:j.hager@town.sutton.ma.us) or 508-865-8729.
