

The Town of Uxbridge is excited to announce that we will be hosting a The Southern Worcester County COVID-19 Vaccination Site. This site is being run by The Southern Worcester County COVID-19 Vaccination Collaborative. This regional collaborative is a coalition made up of Boards of Health, Fire Departments, Police Departments, and Municipal Employees from Uxbridge, Northbridge, Mendon, Douglas, Bellingham, Blackstone, Hopedale, Millville, Milford, Oxford, Upton, and Sutton.

The site will be located at McCloskey School, Uxbridge. There will also be a Satellite Clinic Site operating on Saturdays at Nipmuc Regional High School in Upton. Both sites will be open to anyone who lives, works, or studies in Massachusetts, however **25% of all doses allocated to the coalition will be kept within our communities.**

These sites are funded by federal allocations distributed through the CARES Act and FEMA and will not have any financial impact on the Town of Uxbridge. Due to the residential setting and close proximity to Taft School, the Town has worked diligently to address any possible safety and traffic concerns. Chief Montminy has created a safety plan for the Uxbridge site and is working with the Police Departments in the coalition to provide security and traffic officers during hours of operation. Chief Dion and Captain Blodgett are spearheading the coordination of EMS personal and vaccinators for the Uxbridge site.

### **What You Need to Know**

McCloskey School

62 Capron Street, Uxbridge

M-Th 9:00 am - 1:00pm and 4:00 pm - 8:00 pm

Nipmuc Regional High School

90 Pleasant Street, Upton

Saturdays 9:00 am - 1:00 pm

Appointments will be added at the beginning of each week for the following week once the coalition has received confirmation of the number of doses allotted. Once the appointments have been filled the site will not be visible in the search feature. Please check back regularly for additional openings.

**Note: Please do not contact the Board of Health to schedule an appointment as we are not able to do so. All appointments must be made through [mimmunizations.org](https://mimmunizations.org)**
