

Name: TriCab (USA) Inc. Warehouse/Distribution

Location: 29 Gilmore Drive Sutton, MA 01590

Hours of Operation: 5AM-5Pm (1 shift)

Operations: This warehouse will be used as a distribution center for our wire and cable. Master reels will be shipped from our Worcester, MA factory and stored at this new Sutton location. Racking will be installed to hold the reels. Master reels will be cut down to shorter lengths, printed and packed for shipment to our customers. There will be 4 machines installed requiring power and compressed air. These machines are used to pickup the reels and respool onto a smaller reel. A shipping/receiving office and employee breakroom will also be added inside the building. Forklifts will be used inside to move the master reels.

Number of Employees: 4 Permanent on Site, Additional Daily Visitors from Worcester Factory

Estimated Truck Trips: TBD, Daily pickups from local carriers (FEDEX, Estes, R&L). Would estimate less than 5 pickups/drop offs per day. Using the 4 shipping docks attached to building.

Outside Activity: Deliveries, Employee Parking and Trash Removal

Noise: Limited Additional Noise

Air Quality: No Changes Anticipated
