32 Boston Rd
Sutton, Ma 01590
1-508-917-8787

We would like to put a 40' enclosed storage container on the left side of the building to store equipment in. This would just be temporary, until April or May of 2023. The landlord has his ocean boat in the building that needs to stay here at 32 Boston Rd until that time. We are trying to keep the drive way clear of all equipment for safety reasons.

If the location we are looking to put the container is not suitable, please let us know of a better location.

Thank you very much.
Karen Alexander
