Good Morning,

Due to the Blue and now Yellow Spotted Salamanders on the property at 358 W Sutton Rd we are not able to build there so any and all meeting scheduled are no longer required.

I also understand that I still owe money for the ads you had to run to get us on the agenda so please reply with the total and an address to mail the check to and I will be sure to get that out ASAP.

Thank you both very much for all your effort I'm helping us with our project. We are very disappointed we will not be going forward. You have been a pleasure to talk to every time and made a typically difficult and stressful project a lot easier. Thank you again!
