Jennifer,

Please see below:

Operating Hours: expected to be 24 hours but most of the in and out will be from 0500 hours – 0700 hours and then again from 1700 hours – 1900 hours.

Total employees to start: 8(will increase but our next largest terminal size is about 15)

Total trucks: 8

We do not expect to have the same issues as you did with Ross Express as they are a significantly larger operation. Our trucks typically don't move much once they are back at the terminal and the yard is plenty big to avoid the street congestion issues. Let me know if you have any more questions.

Regards,

Brett Demmers
