Good Morning All,
Attached please find a Scenic Road Alteration application and supporting documents as well as a project review form for 41 Burbank Road. The applicants request permission to widen and rebuild the stonewall on the right side of the entrance to their property and rebuild the stonewall to the left where stones are falling over.
Please return any comments to us by April 17th.
Thank you.

We recommend access to this driveway be widened. This would make entering and exiting the driveway easier with a fire truck.

As it stands right now the truck would need to make a three point turn to enter safely into the driveway.
