Dear Jennifer,

This is Hadassa the Office manager for Stonegate Marble and Granite, Located at: 75 Worcester Providence Turnpike. I believe I spoke with you on the phone yesterday regarding a letter that we have received from the Town of Sutton.

Again we would like to apologize about the situation with the ETS equipment in our yard. As I mentioned on the phone, because it was for marketing purposes only, we did not know it required a permit for that. We spoke to Estevao Costa who is the ETS owner and we told him we could provide him with an office space, and he was going to move forward with that and the permits. But he has decided to remove his equipment and signs.

Again we apologize for the issue and if you have any questions please feel free to contact us.

Best Regards,

Hadassa Prado
