Re: 106 & 110 Manchaug Rd.

I am the owner of 114 Manchaug road (Lot 3) and also lots 1 and 2 directly across the street. I am in support of the Scenic Road/Shade Tree application filed by Tim & Tammy Mahoney requesting the removal of several trees along Manchaug road. The removal of these trees will obviously improve the line of sight for the newly constructed driveways. I also feel that there will be a safety benefit for neighbors walking and biking, as it is hard to walk on the opposite side of the road due to the incline at the pavement edge. On the Mahoney's side many of these trees are just off the pavement and the removal will help to create a shoulder to at least allow a little safety area to step off the pavement. This is on a curve of a pretty busy traveled road and any improvement in my opinion will be a benefit.

Thanks, David Mason
