Dear Board Members:

On behalf of Applicant, Massachusetts Electric Company d/b/a National Grid and based on the following documents:

- Town of Sutton Site Plan Approval dated June 8, 2017;
- Permit Drawings for the project dated April 17, 2017;
- As-built Drawing set dated August 2, 2022 (RBI Solar); and
- As-built Drawing set dated July 28, 2022 (Industria Engineering, Inc.).

The purpose of this letter is to certify that the site was constructed substantially in accordance with the plan set approved by the Sutton Planning Board on June 8, 2017, and presented in the As-Built Plans Sets.

Should you have any questions or require additional information or further explanation of the project, please contact me by telephone at (508) 428-8145, or by email at [jsalsman@industriaeng.com](mailto:jsalsman@industriaeng.com).

Sincerely,  
Industria Engineering, Inc.
