2022 Earth Removal Permit Application
Statement of Duration

Dear Board Members:

On behalf of Bedoian Sand and Gravel, LLC, and as required by Item 10.i. of the 2022 Earth Removal Permit Application, Guerriere & Halnon, Inc. has prepared this Statement of Duration for the above referenced site.

The 2022 Earth Removal Application includes 12.5 acres of land which incorporates the originally approved 2015 active area as well as non-reclaimed portions of the 2021 active area. Pyne Sand and Stone, the excavating company on the site, anticipates that that it will take one additional year to complete the earth removal operations for this area. An exact timeframe is impossible because the removal is so closely related to the health of the general economy in the area.

If you have any questions or comments, please call me at 508-234-6834.

Sincerely,
Guerriere & Halnon, Inc.
