My comments are:

Overall:

1. What Board grants this permit?
2. Can the granting of a permit be appealed in court?
3. Does a permanent water supply and permanent sewage disposal have to be located on site and available for the attendees?

Item a: This should be more restrictive as to the ownership of or current use of properties.

Item c: What about the other days of the week, holidays and long weekends like Thanksgiving or the Fourth of July or Christmas mid week?

Item d: What Town official will be checking on the actual head count?

Item e: How will the granting Board know how many events occur in a year?

Item g: All parking should be required to be on site.

Item l: Are there any conflicts in the Zoning use table?
