Re: Building #3 Shift – 40 Unified Parkway

Dear Mr. Piekarski,

At their regular meeting on October 11, 2022, the Planning Board voted unanimously to approve site plan modifications effecting the Building 3 site including a 30' shift of Building #3 and adjustments to various related site elements. Approval was based on correspondence and revised plans dated September 23, 2022. The Board found the effects of modifications are negligible and do not require a formal hearing process. The proposed modifications were approved subject to receipt of final approval from Graves Engineering.

If you have any questions, please feel free to contact the Planning Office at (508) 865-8729.

Sincerely,

Jennifer S. Hager,  
Planning & Economic Development Director
