

Town of Sutton
Sewer Commission Workshop
April 13, 2016

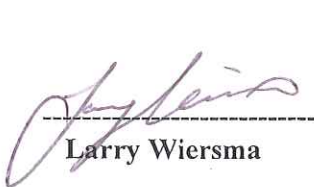

Members Present: Neal Crites
Larry Wiersma
Carl Licopoli
Donald Obuchowski
Robert McNeil
Gary Nelson
Amanda Perreault

The workshop was opened at 3:07 P.M. by Neal Crites.

The Sutton Sewer Commissioners had an open discussion workshop with the Town of Millbury's DPW Director Robert McNeil and Sewer Commissioner Gary Nelson regarding the increase in billing in the last few years.

A series of questions were asked by Neal Crites regarding the billings that the Town of Sutton Sewer Department receives on a quarterly bases and what the billing is based upon. Donald Obuchowski raised a question regarding the assessment of the indirect cost to the Town of Sutton. (Attached is a copy of a handout that was brought to us from Robert McNeil).

The Commissioners will assess the information that was given to them and will discuss their options at their next scheduled meeting.
