Review and Approve Minutes:
Minutes from September 17th, 2019 meeting were not completed; therefore, they could not be voted on.

Public forum: None.

Public hearing: None.

Open Discussion: All members present stated there were no Town Meeting issues to be addressed regarding Zoning, Budget, or Dam improvements.

Old Business: Blackstone street bridge project is completed and open for public access. Several members will visit the site and report their findings. K. Downer will also visit and review the site conditions of Tri-Centennial Park as to the result of Construction vehicles and parking near the park.

New Business: W. Baker and P. Dunn both expressed concerns about an historic 18th century structure that was razed on Central Turnpike (The Old Chizy House) within 2 weeks time. W. Baker had expressed that the Demolition Delay Bylaw that was presented to the town for vote years ago and did not pass should be reconsidered to prevent these issues in the future. P. Dunn thought a plan to preserve elements may have been achieved if we the Commission had prior notice of antique homes being razed, in the future.

Announcements / Correspondence: Mass D.O.T. mailed a letter to the Commission stating their intentions to repave a portion of 146 Highway in Sutton and to notify them if there are any Historic Impact issues. All members present agreed that there was no impact in regards to the stated project. Mass Historic Commission announced their 2020 Matching Grant round. Members agreed that at this time we would not pursue any grants from M.H.C. during this round in 2020.

-Meeting adjourned. At 7:28PM

Respectfully Submitted:

Keith Downer, Chair
